

MVITA Annual Membership Dinner September 16, 2010 Schuster Center – Donors Lounge Dayton, Ohio

We invite you to join your fellow MVITA members at the Schuster Center in downtown Dayton for the Annual MVITA Membership Dinner Meeting. This event is a great opportunity for you to see old friends, network with interesting and internationally focused persons and hear about MVITA's plans for 2011.

Additionally, at this year's dinner there will be an introduction of the 10 companies and organizations that joined MVITA over the past year.

Our guest speaker will be Bruce Langos, the Chief Operating Officer of Teradata.

Teradata Innovation and History

- How it got started, how the business operates and what Teradata does for its customers.
- What is Data Warehousing and Customer Examples of Business Analytics
